Dear Sir/Madam

### ITEC: Training Slots under the Indian Technical & Economic Cooperation (ITEC) Scholarship Scheme of the Ministry of External Affairs, Government of India for the Year 2024-2025 in India (Short-Term)

Maximum 02 seats are available for each programme and final selection will only be made by the Government of India. The applicants are strongly advised to study the programme details and apply only for the programme relevant to his/her present duties, as the priority will be given to such officials during the screening process done by the High Commission of India.

Please note that the following procedures will be applied when submitting applications for the ITEC Programs:

1. Applicants are strongly encouraged to register to the interested programme as early as possible using the following link and to submit the required documents before the deadline to the Department of External Resources.

<https://www.itecgoi.in/meaportal/registerApplicant>

It may kindly be noted that, the candidates are required to fill the ITEC application form carefully and not to leave any column incomplete/ blank or furnish incorrect information. Incomplete applications will automatically be rejected.

2. The **first five (05) applications** will be processed on a "first come, first serve" basis considering the relevancy of the applicant to the programme. Once the first five applications are forwarded to the High Commission of India (HCI) in Sri Lanka, applications will be closed for that particular program as the HCI has requested only 3 - 4 applications for each program. Moreover, if a ministry /agency sends more than 01 (one) nomination for a particular programme, the order of the nominations is considered as the order that the nominees are listed in their letter and in such instance, the entire list of nominees from a single ministry may not be considered for further process due to limited availability of foreign training opportunities.
3. According to the High Commission of India, **once an ITEC Programme is offered, the recipient is ineligible for any other ITEC Programme.** Further, the candidates should be in the **age group of 25-45 years** and have a working experience of **Five (05) years** and also should have working knowledge of English to follow the ITEC course.

Government of India will provide the following facilities to participants for in person programmes;

- o Return Air Ticket (Economy Class) from Colombo to Training Institute in India
- o Course fees
- o Accommodation- Hostel/ Hotel
- o Medical expenses (only in case of medical emergency during their training in India)
- o Approved study tours (including places of historical importance)

Your attention to the details mentioned above and early response would be greatly appreciated.

Yours faithfully,

  
W.D.R. Crishantha  
Director / Technical Assistance  
for Director General
