## LEADERSHIP IN COURT GOVERNANCE

5 TO 9 OCTOBER 2020

Sponsored by the

**SINGAPORE COOPERATION PROGRAMME**

under the

**SINGAPORE COOPERATION PROGRAMME TRAINING AWARD**

to be conducted by the

**SINGAPORE JUDICIAL COLLEGE**

---

### Singapore Cooperation Programme

Singapore has provided technical assistance to other developing countries since the 1960s. As a country whose only resource is its people, Singapore believes that human resource development is vital for economic and social progress. Singapore itself has benefited from training provided by other countries and international organisations.

In 1992, the Singapore Cooperation Programme (SCP) was established to bring together under one framework the various technical assistance programmes offered by Singapore. Through the SCP, the range and number of training programmes were increased to share Singapore's development experience with other developing countries.

To date, over 131,000 officials from more than 170 countries and territories have participated in our courses and study visits. The SCP is managed by the Technical Cooperation Directorate of the Ministry of Foreign Affairs, Singapore.

### Singapore Judicial College

Established under the auspices of the Supreme Court of Singapore, the Singapore Judicial College (SJC) is dedicated to the training and development of local and international judges and judicial officers, using the Singapore legal system as the basis for training and sharing of knowledge and ideas. SJC aims to provide continuous judicial learning, inspire research and be a test bed for innovation in judicial studies and practices, to enhance the competency and professionalism of judges and judicial officers.
